

# UHIP Health Insurance Enrollment

## UHIP Enrollment (STUDENTS)

\*New and returning international students are automatically enrolled in UHIP for a twelve month period running from September 1 to August 31 of the academic year. Registered international students must visit the UHIP office to obtain their UHIP cards.

### **St George International Students:**

Cumberland House 33 St. George Street Toronto, ON M5S 2E3 416-978-0290

## UHIP Charges & Payment:

- The annual UHIP premium of \$612 is automatically added to the Student Account (ROSI) of every international student registered at the University of Toronto. The UHIP enrollment period is automatically adjusted to a twelve month period from September 1, 2017-August 31, 2018.
- The UHIP premiums are paid with tuition fees
- Deferring tuition fees also defers the UHIP payment
- Students are eligible to obtain their UHIP cards once their ROSI status is "registered" (through either paying or deferring tuition fees)

\* UHIP coverage begins 20 days prior to the official start date of the academic semester in which a student is registered at U of T (for example: UHIP coverage will start on August 10 for students registered for September 1, 2017).

### **New International Students Arriving Prior to August 11, 2017:**

Newly admitted international students arriving in Canada before August 10th are required to purchase private insurance, to cover the period of time before UHIP coverage takes effect.
