To the student: This application should be completed as early as possible before the academic session in which the project is to be undertaken. Identify a faculty member (professor or lecturer; not a sessional) willing to supervise your project and discuss the project together. Complete Sections A, B, and C of this form then sign and date Section D. Obtain the signature of the supervisor (also Section D). The form must then be submitted to the Program Coordinator and the SMC College Principal for approval and enrolment. Once the project is approved, enrolment will take place through the Principal's Office. For more information, contact the program administrator, Odette Hall Room 020, smc.programs@utoronto.ca.

To the supervisor: Discuss the project with the student in order to ensure that the project is worthwhile and that the student has the necessary background and ability to profit from it. N.B. All Independent Study/Senior Essay supervision is done in addition to your regular teaching load.

For SMC Independent Studies (SMC380H1, SMC381Y1, SMC457H1, SMC480H1, SMC481Y1), *either* the student must be a member of St Michael's *or* the supervisor must be an SMC faculty member.
