

Dear Residents,

Further to the email you received earlier today, we wanted to inform you that out of an abundance of caution and following the same practise elsewhere on the U of T campus, we will be closing the following facilities on campus:

1. The cardio room and the music room in the Sorbara Hall residence
2. The weight room in Alumni Hall
3. The Wellness Studio in Elmsley Hall

Should you have any questions please do not hesitate to reach out to your dons or the residence office.

Kind Regards,  
The Dean of Students
