I hereby acknowledge and agree that should I suspect a pest outbreak in my room, I shall contact the Residence Porter's Desk immediately so an inspection can be arranged which may include checking adjacent rooms as well. If the presence of pests is confirmed, I agree that I will be required to actively participate in the treatment by following the directives of the College and/or professional Pest Control workers. To reduce the likelihood of spreading pests to unaffected areas, I agree that I will not be relocated to a new room. No refund or reduction of fees will be issued to those who are inconvenienced by pest inspections or remediation processes.

**14. Asbestos:** I hereby acknowledge that most buildings in Canada built prior to the mid-1980s, including certain of the College's facilities, contain asbestos in one form or another. Scientific knowledge to date indicates asbestos in its non-friable form (such as in floor tiles, ceiling tiles etc.) poses no danger unless it is being drilled, ground, broken or sanded. Friable asbestos (i.e. material that can be easily ground to dust between fingers), inhaled in large quantities over a long period of time, however, may be a health hazard. The College has an Asbestos Control Policy in place

that fulfills the requirements of current applicable legislation. This program ensures that correct procedures are followed in the handling of asbestos and that every precaution is taken to reduce any potential exposure risk to the University community. Asbestos used in decorative ceiling stucco, vinyl floor tile, dry wall joint compound or transite board, as found in some residences, is non-friable. However, it can become friable if disturbed. I hereby agree that I will not damage these structures or make alterations or repairs to my Room without the explicit written approval of the Dean of Student's Office and/or the Conference Office.

- 15. Athletic Participation:** I further agree that should I use the College's weight room or any other athletic facility on campus, participate in athletics at the College, participate in intra-mural sports on College teams, or participate in athletics at College events on or off campus, there are certain risks of injury that are inherent to participation in sports and recreational activities. These types of injuries may be minor or serious and may result from my own actions or the actions or inactions of others or a combination of both. I hereby warrant that I am physically fit should I choose to participate in such activities and that I understand that the choice to participate brings with it the assumption of those risks that are a part of athletic or recreational activities. Accordingly, I agree that the College, the University of Toronto, and those for whom they are in law responsible, their successors and assigns, shall not be liable for any injury to my person or loss or damage to my personal property arising from, or any way resulting from, my participation in these activities.
- 16. Emergency Contact:** As a resident over 16 years of age I consent to the College contacting my emergency contact and/or next of kin in case of a medical crisis or critical situation.
- 17. Harmful Behaviour:** Students who exhibit behaviours which are deemed potentially harmful to themselves or others may be required to meet with support services and/or have their emergency contact notified as a condition of their continuing to live in residence. Alternative housing arrangements may be necessary in cases where a student is deemed to require more support than our staff can provide.
- 18. Force Majeure/Pandemic.** If either party is bona fide delayed, or hindered in or prevented from the performance of any term, covenant or act required by this Agreement by reason of any cause beyond the control of the party affected including, without limitation, strikes, lockouts or other labour disputes, the enactment, amendment or repeal of any applicable laws, restrictive governmental laws or regulations, the failure of any existing tenant or occupant to vacate the Residence, shortages or unavailability of labour or materials, riots, insurrection, sabotage, rebellion, war, acts of terrorism, act of God, pandemic, Health Emergency or any other similar reason ("Unavoidable Delay"), then performance of such term, covenant or act is excused for the period of the delay and the party so delayed, hindered or prevented shall be entitled to perform such term, covenant or act within the appropriate time period after the expiration of the period of such delay. However, the provisions of this Section do not operate to excuse me from the prompt payment of fees and any other payments required by this Agreement and Unavoidable Delay shall not include any delay caused by the parties' default or act or omission, any delay avoidable by the exercise of reasonable care by such party or any delay caused by lack of funds of such party. The College shall also be excused from the performance of any term, covenant or act required hereunder if the performance of such item would be in conflict with any directive or policy of any governmental or quasi-governmental authority having jurisdiction over the Residence in respect of any energy, conservation, health, safety or security matter.

**Disclaimer:** I hereby disclaim and renounce any and all rights, claims, demands and causes of action of any kind or nature whatsoever that I may have against the College and the Collegium of The University of St. Michael's College ("the Collegium") and those for whom they are in law responsible, their successors and assigns, arising out of or connected with any enforcement or non-enforcement by the College or the Collegium of any of the rules, regulations and rights, and any amendments made thereto, listed in sections (1) through (17) above.

I agree that I shall not hold the College nor the Collegium and those for whom they are in law responsible, their successors and assigns, liable for any losses, causes of action, demands or other incidental, indirect, consequential, special or contingent damages, that I may incur or sustain arising out of, or in any way connected with, my residency at the College; I agree to these terms regardless of the form that such losses or damages may take,

whether or not the possibility of any such losses or damages reasonably could have been foreseen by the College or the Collegium, and whether or not any such losses or damages were the result of my failure to abide by the rules and regulations and any amendments made thereto, referred to in paragraphs (1) through (17) above, including, without limitation, theft, fire, howsoever caused, injuries, illness, or accidents to myself or my invitees, natural disasters, vandalism, or the failure of the College or the Collegium to enforce the aforementioned rules and regulations.

**Indemnification:** In consideration of the College accepting me as a resident, I hereby agree to indemnify and save harmless the College, the Collegium, and those for whom they are in law responsible, their successors and assigns, from and against all damages, losses, liabilities, costs and expenses they may incur or sustain in respect of any demand, claim, action, suit or proceeding that is proposed or commenced against them, relating to or arising out of my failure to abide by the rules and regulations, and any amendments made thereto, referred to in paragraphs (1) through (17) above, this Agreement, and the rules and regulations that are designed for the safety and protection of participants in athletics and intra-mural sports howsoever caused. This indemnity shall be binding upon my heirs, executors, administrators and legal personal representatives.

I understand and agree that the failure to abide by any of the above terms and conditions is a breach of this Agreement and that in such an event, the College may, at its option and with notice, terminate my residency at the College and I agree to vacate the Residence with all of my belongings at the time specified by the College. I understand and agree that the College may notify other University of Toronto residences about the termination of my residency and provide information concerning such circumstances. I understand that a termination from USMC Residence may affect my eligibility for admission to the other UofT Residences.

**By accepting my Offer of Residence at St. Michael's College, I acknowledge that I have read the terms and conditions contained in this Agreement and agree to each and all of them.**

**Important Note to Parents / Legal Guardians:** University of St. Michael's College regards its residents as adults and respects their right to privacy. For this reason, the College will only contact parents in cases of medical crisis or emergency situations. Disciplinary issues, academic standing, withdrawal from courses or from the university, withdrawal or eviction from residence, and all other non-emergency situations cannot be discussed with parents or guardians without their son or daughter's prior written consent.
