

A message from alumnus Victor Dodig (Class of 1988), President and CEO of CIBC, to University of St. Michael's College students:

"I graduated in 1988 and continue to this day to reflect fondly on my time at St. Mike's. In fact, I have had several video calls with members of my graduating class over the past two months as the fellow students I met more than 30 years ago continue to be part of my close network today.

For those graduating, Congratulations!!! I would like you to take a moment to reflect on your hard work, your accomplishments and look to the future with optimism. And, for the incoming class, I wish you the best of luck as you begin your journey. I would recommend you take every opportunity to live the St. Mike's experience to the fullest. You will create lifelong friendships, get a world class education and prepare yourself to take full advantage of your future."
