Safety Plan: Athletic Facilities

1.0 Scope

Describe the department to which this procedure applies.

All Athletic facilities remain closed until further notice.

These Safety Plans are written in compliance with provincial regulations and public health directives effective November 21, 2020. They will be amended when necessary to maintain compliance as regulations and public health directives change. They describe the safety plan in place when the facility is open. From time to time provincial regulation and public health directives require some facilities to be closed. Please also refer to unit specific re-entry plans for more information.
